

# The solution to break the darkling beetle on your farm

- > Without insecticides
- > Permit not required
- > Ready-to-use granules in 15 kg bag
- > Formula also available for organic farming

## The researches show:

Darkling beetle are **disease vectors**

*Goodwin et al., 1996, Souillar et al., 2019*

**Rotating treatments** decreases the risk of beetles developing product resistance and diversifies modes of action for better targeting

*Rousset et al., 2019*

Botanical extracts demonstrate a strong **larvicidal effect**

*Martinez et al., 2017, Bunerri et al., 2019*
