Stalosan® F

Stalosan F Use in Poultry Houses

Multi-Action Germicide–**Multiple Benefits**

Stalosan F protects your birds from bacteria, viruses, fungi, parasites, and flies

Stalosan F is designed to uniquely meet the hygiene needs of the modern poultry industry:

- Kills a wide range of pathogens, including bacteria, viruses, fungi, parasites, and flies
- Conditions litter for a healthier production environment
- Improves air quality and neutralizes harmful substances such as ammonia and hydrogen sulfide

Benefits of Stalosan F in Poultry Operations

↓	↓	↓
Mortality	**Medication Costs**	**Incidence of Disease**
↘	↓	↙

Improved Production and Profitability

- Application amount: 1 lb/100 ft^2, 50 g/m^2

Stalosan F for **Meat Poultry**

Stalosan F can be used in all poultry raised for meat, including broiler chickens, turkeys, and ducks

- Kills harmful pathogens, helps improve broiler performance, and reduces the need for medication by as much as 40% on average

Stalosan F for **Breeders**

Stalosan F provides effective protection during the pullet phase, reducing both mortality and medication use.

- In nesting boxes, Stalosan F protects against pathogens that affect hatching eggs.
- It's also an effective litter conditioner and disinfectant on egg transport lines.

Stalosan F for **Laying Hens**

In either floor or free-range management systems, Stalosan F works as an effective litter conditioner.

- Kills harmful pathogens and blood mites to protect your hens from infection and disease.
- Decreases fly populations when used as a manure treatment.

Stalosan F for **Game Birds**

Stalosan F kills pathogens in breeding pens, brooder housing, and night enclosures.

- Acts as a litter conditioner to disinfect and dry problematic areas such as water troughs and feeders.

By using Stalosan F in your poultry house sanitation program, you will:

REDUCE DISEASE	IMPROVE AIR QUALITY	IMPROVE YOUR PRODUCTION ENVIRONMENT
Stalosan F eliminates bacteria and blood mites, lowering the incidence of infections and disease	Stalosan F neutralizes harmful substances such as ammonia and hydrogen sulfide for improved environment and bird performance	Stalosan F keeps your barn environment drier and healthier, optimizing poultry performance

Trusted by producers around the world for over 50 years

Stalosan® F The Powder with the **Power to Protect**
